About Me

My passion is people.

M I'm an award-winning, corporate executive specializing in the facilitation of large-scale organizational shifts and individual transformations.

M For more than 25 years, I've helped people achieve breakthrough results and lasting success through executive and career coaching, management consulting, and team building & facilitation.

M My broad and deep experience in corporate operations and strategy give me a unique perspective on how to help people succeed in today's business environment.

M If you're ready to reach new levels of performance, I can take you there!

Three KEY Ways I Help YOU & YOUR TEAM

MANNifest Success

COACHING

Making a career transition?

I help you identify & capitalize on your strengths, rock your résumé, and give interviews that impress.

Overwhelmed by a promotion?

I help you rise to new expectations, delegate with confidence, set smart strategy, and build a cohesive team.

Looking to improve your effectiveness?

I help you reach new levels of performance with coaching & tools tailored to your unique objectives.

MANAGEMENT CONSULTING

Leading projects or driving org. change?

I help you achieve buy-in & adoption with effective plans, communication, training, and implementation.

Seeking insight on org. issues?

I help you get honest answers through multiple tools, then customize your strategy to maximize results.

Need interim executive support?

I help you sustain momentum with executive-level communications, planning, and staff support.

TEAM BUILDING & FACILITATION

Trying to build a cohesive team?

I help you create a culture of mutual performance & support with engaging workshops and tailored facilitation.

Want to level up your leadership?

I help your leaders stretch & grow with custom & turn-key solutions that accelerate leadership performance.

Stuck on strategy?

I help you & your team frame and focus on your best opportunities, and create plans for optimal success.
