

EVERYTHING **DiSC**[®]
PRODUCTIVE
CONFLICT

Harness the power of workplace conflict.

Rather than avoid conflict and leave it unresolved, your employees will learn how to make the most out of challenging situations with this powerful learning program.

Everything DiSC[®] Productive Conflict helps employees curb destructive thoughts and behaviors so that conflict can become more productive, ultimately improving workplace results and relationships.

This classroom experience uses a research-validated learning model and combines engaging facilitation with follow-up tools to create personalized insights for participants at any level of an organization.

The Profile

Whether you're working with entry-level employees or a group of executives, the 22-page *Everything DiSC Productive Conflict Profile* will provide your employees with effective strategies to overcome the inevitable challenges of workplace conflict. Participants will:

- Appreciate how their style of handling conflict affects their peers
- Learn how to "catch" themselves when going down a destructive conflict path
- Discover how to reframe a conflict situation and choose more productive behaviors
- Build a common language in the organization around appropriate conflict behavior

The Facilitation

Includes three training modules focused on:

- DiSC® in Conflict
- Destructive Responses
- Changing Your Response

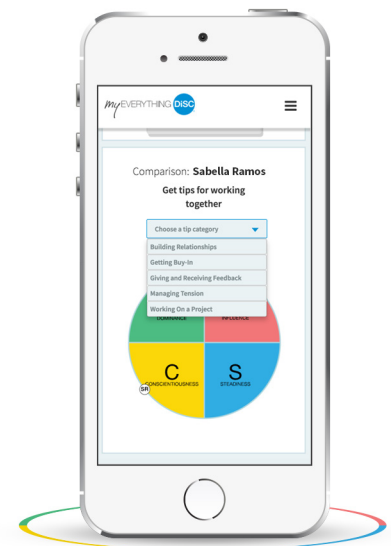

Optional DiSC Conflict Map and Comparison Report activities with facilitator's guides are also available. Each module includes customizable PowerPoint® embedded with video, participant handouts, and Facilitator's Guide that support the *Everything DiSC® Productive Conflict Profile*.

Easily customize facilitation by selecting and switching out video clips, modifying slides, Facilitator's Guide, and participant handouts. Add or delete segments to fit any timeframe or workshop configuration.
